Food Insecurity : *IMMEDIATE NEEDS*

The Hanover County Sheriff's Office understands the important role that faith communities and houses of worship play in caring for neighbors and strengthening our shared communities. In light of potential pauses in federal resources that could affect families' access to food, Hanover County Administration, in partnership with the Sheriff's Office, are seeking your help to ensure that those in need have reliable support. We are asking faith communities and churches to consider coordinating a simple effort beginning this weekend and into the holiday season by supporting a food collection that can help provide nutritious, nonperishable items to households facing food insecurity.
